## BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT

The Junior League facility provided the organization the opportunity to work their mission of empowering female civic leaders in partnership with community partners to address and solve community issues. The building housed administrative offices, three separate meeting rooms, and a fully equipped kitchen for catering events.

10,000 Sq. Ft. Cost: Not Disclosed

Role: Architectural, Interiors, Civil, Structural & MEP

Project completed while with Page Zebrowski Architects.
